

# Track-IQ Overlay Map - Gulfstream Park (GPX)

Metric shading is graded by discount magnitude versus Morning Line. Darker cells indicate a larger price gap. Each metric uses its own color family: SPD blue, E1 purple, E2 teal, LP orange, COMP green, and WP red. Horse-name symbols: u class rise, d class drop. Same-level and win markers omitted.

Legend	SPD / E1 / E2 / LP / COMP / WP cells darken as the Morning Line discount becomes more extreme	Flags: green = Buy, orange = Extreme-Signal, tan = both, gray = Thin
